IN RE: QWEST CORPORATION	DOCKET NO. FCU-02-24
---------------------------------	----------------------

**ORDER GRANTING JOINT REQUEST FOR MODIFICATION
OF PROCEDURAL SCHEDULE**

(Issued June 27, 2003)

On June 25, 2003, Qwest Corporation (Qwest) and the Emergency Management Division of the Department of Public Defense (EMD) filed with the Utilities Board (Board) a joint request to modify the procedural schedule established in this docket by Board order issued May 19, 2003. In support of their request, the parties state that Qwest has developed a new costing methodology to establish a proposed new rate for E911 services and that an additional period of time is necessary to allow EMD a proper review of Qwest's proposal. The parties suggest a 14-day extension to the established procedural schedule.

The Board has reviewed the parties' joint request and finds that it is reasonable. The procedural schedule previously established in this docket is modified to allow the parties an additional 14 days to resolve the complaint. At the end of the 14-day period, the parties will report the current status of their discussions with the Board and if the complaint issues remain unresolved, a new procedural schedule will be issued.

IT IS THEREFORE ORDERED:

1. The joint request to modify the procedural schedule in Docket No. FCU-02-24, filed by Qwest Corporation and the Emergency Management Division of the Department of Public Defense on June 25, 2003, is granted as described in this order.
2. Both Qwest and EMD shall file a status report with the Board on or before July 11, 2003.
